

C++

src

30

include

The diagram illustrates a C++ project structure. A light blue dashed box labeled 'C++' contains two rectangular boxes. The top box is labeled 'src' and has a black border. The bottom box is labeled 'include' and has a red border. A blue arrow points from the 'src' box down to the 'include' box. The number '30' is written in blue next to the arrow, indicating a value or count associated with the inclusion process.
